Illinois House Redistricting Committee
Springfield, IL

Re: State Representative Esther Golar (6th District)

To Whom It May Concern:

I have worked with State Representative Esther Golar from the time she was appointed to the Illinois House of Representatives.

I am a member of the Canaryville Improvement Association and have worked with Esther on several committees/work groups for the improvement of the following:

Taylor Lauridsen Park – Esther assisted in securing funds to build a new park in the Canaryville Community

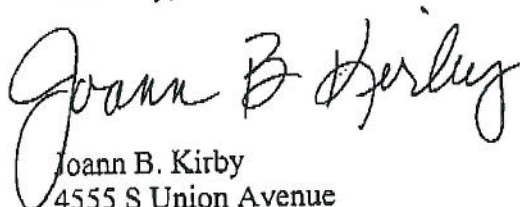

Tilden High School – Esther assisted the community in working with our local high school to improve the safety of the students

Canaryville Little League – Esther has supported our Little League Program for many years and has participated in our yearly Opening Ceremonies and has provided “healthy snacks” for the children

St. Gabriel School – Esther has been an avid supporter of our yearly “Back to School” program. Esther has attended this event to show her support to the parents and children. She is a devoted supporter of education.

Esther has been a devoted public servant to the people of the Canaryville Community. She regularly attends our monthly Canaryville Improvement Association meetings. We have truly enjoyed working with Esther. She is always available to meet with us and to work on projects important to the people.

Sincerely,

Joann B. Kirby
