Illinois House Redistricting Committee

Dear Sirs,

Please accept this letter in support of the new state legislative map proposed by your committee as of this date.

No perfect map can ever be drawn and compromises have to be made. But the Beverly Area Planning Association, a 63 year old grass roots community organization serving the Beverly Hills/Morgan Park neighborhood of Chicago, believes that the boundaries of our local districts (27th, 35th and 36th) have been drawn in such a way as to effectively represent our service area and our members.

Sincerely,

A handwritten signature in cursive script that reads "Matthew J. Walsh".

Matthew J. Walsh
Executive Director
