To The Illinois House Redistricting Committee:

This letter is written as a recommendation for the proposed district map. With the proposed map, being similar to the previous one, Representative Robert Rita will be familiar with issues in his district and allowing him to continue to work with the residents, as he has in previous years.

This proposed map will also allow him to fully serve his residents common interests and goals in the state legislature.

As a Calumet Township Trustee, I strongly support the proposed district map as it will allow Representative Rita to continue serving our community. Your consideration in this matter is greatly appreciated. Thank you for your time.

Sincerely,

Angel Infante
Calumet Township
Trustee
