To: Illinois House Redistricting Committee

This letter is in support on the newly proposed map of redistricting of Illinois. I support the continuance on our representation of those communities with similar interest. The maps take into account those with common boundaries and interest; such as agriculture, industry, and various others and keeping those intact.

Representative Brandon Phelps has always been an asset to our community as well as the other communities he represents. By knowing these areas, he is well versed in knowing our needs and viable is seeing that they are met to be the best of his ability.

If you have any questions, or need further assistance, regarding this matter, please do not hesitate to contact my office.

Sincerely,

Billy McDaniel  
Mayor
