To The Illinois House Redistricting Committee:

This letter is written as a recommendation for the proposed district map. With the proposed district map, being similar to the previous one, Representative Robert Rita will be familiar with issues in his district.

The proposed map keeps together residents with similar economic status in similar communities, and therefore, similar concerns and goals. As a Calumet Township Trustee, I know Representative Rita will continue to serve the residents of his district.

Representative Rita is a great resource and the proposed district map will allow him to continue representing our community. Therefore, I respectfully request that the proposed map be adopted. Your consideration in this matter is greatly appreciated. Thank you for your time.

Sincerely,

Lou Peyton
Calumet Township
Trustee
