Illinois House Redistricting Committee

Greetings:

I am writing this letter giving voice to the Illinois House Map Proposal for State Representative Linda Chapa LaVia. The community can see and understand that State Representative Linda Chapa LaVia understands how the proposed map links her constituents together. She is very involved in education and senior issues. She is very committed to her constituency. Health care is very much a part of her agenda. Yes, I am in favor of her chosen map.

Sincerely,

A handwritten signature in cursive script that reads "Lillian Perry". The signature is written in black ink and has a long, sweeping underline that extends to the right.
