Redistricting Committee,

As President of the Village of Westchester, I would like to offer my concurrence with the House Democrat Redistricting Map as it affects the Village of Westchester. When the last map was drawn the Village of Westchester was split between two representatives. Representative Karen Yarbrough had the 7th District, located north of Roosevelt Road and a section north of Cermak Road, and east of Mannheim Road.

Representative Bob Biggins, now Representative Chris Nybo had the other portion with a good portion located in DuPage County. Their administrative offices were also located in DuPage County.

I am pleased to have Representative Karen Yarbrough, now Assistant Majority Leader Yarbrough, representing our entire town. Her office is just down the block in the Village of Broadview and within walking distance. Representative Yarbrough has been an advocate for us and has been able to bring resources to our village and the entire area she has represented.

I look forward to working with Representative Yarbrough as she represents our entire village and the entire State of Illinois.

Respectfully,

Sam D. Pulia
Village President
