Dear House Redistricting Committee Members:

As the Village President for the Village of Elwood, I have reviewed the proposed redistricting map in regards to the representation within the borders of the Village of Elwood and am in full support of the map.

It is important to me that our community is kept whole and the elected official is familiar with the area. We are home to the largest intermodal facility and also an agricultural area, so it is significant that we remain whole and are adequately represented by one that is familiar with the Elwood area.

I feel that this map presents distinct boundaries, therefore making it easier to address the various challenges of our community. This redistricting map will ensure that all citizens of the Village of Elwood are well-represented and will further our local government's ability to contact legislators with our concerns and local needs.

This proposed redistricting map reflects the best interest of all citizens of the Village of Elwood, and I give my full support to the redistricting map as proposed.

Sincerely,

Bill Offerman  
Village President  
Village of Elwood
