

To the Illinois house:

My Name is Benjamin Bernal and I wanted to write to you regarding the Illinois redistricting mapping. I am very content with the mapping it is very well thought out. As a Latino in our state I believe that the new map represents our Latino community very well. The Latino community has grown in the last decade and it is important that we are represented as well as any other group in our state. The new map really represents what our state needs and it will help move Illinois to a bright future

If you have any questions please feel free to contact me by sending an email to: bernal14@yahoo.ie

Once again thank for taking the time on making sure our redistricting process is done properly and equally.
