Your plan for Illinois is awful! It is a clear attempt to keep Chicago powerful while subduing the suburbs. The suburbs deserve their own districts! Not only that, but you blatantly ignore the latino's growth in population and the decline of the African American population. The fact that Chicago lost 240k population is not shown in any map. This map will ensure that I will not vote for a Democrat for a state level position or a Democrat from Chicago. Be fair, adopt the Tanner Bill!
