To Whom it may Concern:

My name is Mark Thomas, I am a business activist in Chicagoland sitting on the board of Local First Chicago as well as a member of Central Lakeview Merchants, Lakeview East Chamber of Commerce, Northalsted Business Alliance and Southeast Lakeview Neighbors. I am also the executive director of Kedzie Elston Business Industrial Council. I do not speak for these organizations and this is my personal opinion.

The new redistricting map appears to create manageable districts with areas grouped together that seem to have similar needs and wants making it easier for an elected official to better represent a similar group of people. I applaud the fairness of the map and hope to see it go forward.
