Illinois House Redistricting Committee

RE: House Bill 3760

Dear Legislator:

I would like to voice my support of House Bill 3760, which sets the boundaries for each of the legislative districts in Illinois.

Some of the reasons for my decision to support HB 3760 are:

1. I will continue to be a resident of the 103rd district. To me, it is essential to keep the same legislators, when possible, to retain familiarity with current issues.
2. My district will continue to include the University of Illinois.
3. The boundaries seem more concise and easier to follow.

Thank you for allowing me the chance to voice my opinion.
