Dear Illinois House Redistricting Committee,

Brighton Park Neighborhood Council (BPNC) is a community-based organization dedicated to creating a safer community, improve the learning environment at public schools, preserve affordable housing, provide a voice for youth, protect immigrants' rights, promote gender equity, and fight all forms of violence. BPNC serves a low-income working class neighborhood on Chicago's southwest side, and is dedicated to developing strong grassroots leadership by utilizing the capacity of residents to organize and mobilize their own resources.

Our Board of Directors has reviewed the proposed House redistricting proposals. After careful consideration, our organization would like to endorse these maps as proposed by House Speaker Michael Madigan and the House Redistricting Committee.

If you would like further information, please feel free to call us at (773)523-7110. Thank you very much for providing the opportunity to endorse these proposed maps.

Sincerely,

Anita Caballero
