The Illinois House of Representatives Redistricting Committee  
Springfield, Illinois

***Re: Letter of Support for the Proposed Redistricting Map***

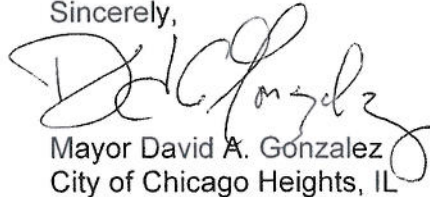

Dear Illinois House of Representatives Redistricting Committee,

Please allow this written correspondence to serve as my official *Letter of Support* for the redistricting map currently being proposed during the decennial process of redrawing State legislative and Congressional district boundaries in our great State of Illinois.

On behalf of the City of Chicago Heights, I believe the newly proposed map ensures that the 80th District will continue to be well-represented in our Illinois General Assembly by House Bill 3760.

If you should have any questions or need further information, please feel free to contact me directly. I can be reached via phone at 1-708-756-5315 or via e-mail at: [dgonzalez@chicagoheights.net](mailto:dgonzalez@chicagoheights.net).

Sincerely,

Mayor David A. Gonzalez  
City of Chicago Heights, IL
