To The Illinois House Redistricting Committee:

Dear Illinois House Redistricting Committee:

On behalf of the Village of Olympia Fields, I am writing in support of State Representative Deluca's proposed redistricting that is under consideration with the Illinois House's redistricting committee. Representative Deluca is extremely knowledgeable with regard to the community and development issues facing the southland region. To the constituents, elected officials and community leaders in Olympia Fields, I can without reservation support our legislator who is familiar with the community and the issues that link local residents to the legislative process.

Again, on behalf of my constituents I lend my support to this effort for the continued successful representation of our district.

Sincerely,

Debbie Meyers-Martin
Village President
