Honorable Barbara Flynn Currie  
Chair  
House Redistricting Committee  
Springfield, IL

Dear Madame Chair:

The Village of Skokie has urged retention of the current state and federal legislative districts, as much as possible, in the reapportionment of 2011. After reviewing the proposed redistricting map, I'm pleased to support the proposal as contained in HB 3760. This legislation reflects the Village's population and our legislative needs.

The Village of Skokie appreciates all of the difficult work that has gone into producing this reapportionment.

If you have any questions please feel to get in touch with me at (847) 933-8269.

Best wishes.

Sincerely,

  
George Van Dusen  
Mayor
