# Swedish Covenant Hospital

The science of feeling better

OFFICE OF THE PRESIDENT

May 23, 2011

To: Illinois House Redistricting Committee

Re: Current redistricting proposal as of May 23, 2011

On behalf of Swedish Covenant Hospital, I would like to voice my strong support for the current redistricting proposal before the State of Illinois Legislature. The current proposal takes into account the best interests of our community by leaving the current House (13) and Senate (7) districts basically unchanged.

Swedish Covenant Hospital is one of the largest employers in our community and serves a very diverse and vulnerable population. It is important that in these challenging economic times we have consistency in having knowledgeable and committed legislators who understand and are supportive of our institutions and the value they bring through both their services as well their overall economic impact to our North Side communities.

We are privileged to have existing legislators in our districts that work diligently as partners with institutions like Swedish Covenant Hospital and I support a redistricting map that retains this strong and positive relationship. Please support the current redistricting proposal.

Sincerely,

Mark Newton  
President/CEO
