State of Illinois Redistricting Committee

To Whom It May Concern:

Carlson Community Services is a small 501c3 non-profit organization serving the northwest side of Chicago. In order for our organization to best serve the Irving Park community, it is important that the area be represented by one congressional representative. I have reviewed the legislative map put forth by H.B. 3760 and find that within the 40th legislative district, that purpose is served. Therefore, Carlson Community Services supports the current legislative remap.

Sincerely yours,
