Re: Legislative re- districting

Attn: Illinois House Redistricting Committee:

As an elected official (Village of Berkeley Board of Trustees) representing our constituents for over 10 years, and having served as an appointed Commissioner to the Planning & Zoning Commission, presently serving as the VP of the Hillside-Berkeley Chamber of Commerce and also serving on the West Cook Solid Waste Agency Board as part of the West Central Municipal Council, I welcome the proposed map citing said changes will be positive, taking into account the demographics of our people, the experience and familiarity of our community by Representative Karen Yarbrough, 7th District will serve our community well for years to come.
