MEMORANDUM

TO: IL House Redistricting Committee

FROM: Mark W. Eckert, Mayor *mwe*

DATE: May 23, 2011

SUBJECT: IL Redistricting

Upon my recent review of the IL Redistricting Committee map, we are happy to see that the 113th District has not drastically changed. We are very pleased with Representative Holbrook and what he has done for the City of Belleville. We realize boundaries have changed on the southern part of Belleville, but we appreciate the fact that the majority of the District has stayed the same which allows us to support this proposed map.
