Dear Sirs:

I have studied the new redistrict map and I like what I see. Brandon Phelps is our Rep. and he has become very familiar with the issues concerning this area. Brandon knows most of the local residents in this newly drawn map and I feel he could represent us all very well.

Brandon shares most of the common needs of this district that link local residents together. The newly drawn district will allow Brandon to have a clear and recognizable understanding of the boundaries.

I feel this is a fair map and would work very well not only for the Rep serving the area but also for all the constituents that live here. Please feel free to use my name as a supporter of the newly drawn district and would be glad to answer any questions anyone might have. All of my information is below.

Respectfully,

Martin J Duffy
