Dear Sen. Kwame Raoul and Committee Members,

I sincerely hope that in providing citizens with the opportunity to voice their desire to be redistricted into sensible geographical, contiguous, and compact legislative districts that we can expect to see changes when the maps are drawn. I live in Palos Heights (Cong. Dist. 1, State Rep. Dist. 27, State Sen. Dist. 14) and feel that when Chicago and suburbs are in a combined district, the needs of the suburbs go by the wayside. I hope, as some suspect, that the hearings were not simply a-going-through-the-motions act and that the maps had not already been drawn leaving us with the status quo. Thank you.
