To the Illinois House Redistricting Committee --

I am writing in support of the map proposed in House Bill 3760. As a resident of and locally elected official in Representative Nekritz's district, I feel confident that this map is good for the community and good for the state of Illinois.

Although there has been a slight shift in the area that Representative Nekritz will be in charge of, it is an area that she knows very well. She is familiar with issues in all these communities, as well as with community groups and their leaders. She has been and will continue to be an effective advocate for the unique challenges that this area presents, with its combination of ethnic groups, socio-economic levels, and businesses as well as special interest groups.

I thoroughly support the new map as proposed in House Bill 3760.
