Attn: State Representative Joe Lyons

Dear Representative Lyons,

Please be advised that I have reviewed the proposed redistricting map developed under HB 3760, and that I support the passage and implementation of this map for the following reasons:

1. The proposed map includes geographic boundaries that are readily distinguishable and recognizable.
2. The boundaries reflect areas of shared concerns and interests of local residents.
3. The boundaries define areas and communities with shared social, economic and business interests.
4. The map, as drawn, assures that legislators are, and will remain, familiar with the various

communities

which they represent.

For the foregoing reasons, I urge you to support HB 3760.

Sincerely,

Ald. Timothy Cullerton
38th Ward, Chicago
