Hello, I am Vernita Farmer and I am a member of the Auburn Gresham Renaissance Community Council. I am writing to let you know that we disagree with the current way the the district maps are cut. I was unable to attend the hearings here in Chicago this weekend and will be unable to attend the upcoming hearings this week in Springfield. The proposed maps continue to fracture Auburn/Gresham into the 36th representative district. The fracturing of Auburn/Gresham began in 2001 and this plan for 2011 continues that Fracturing.

The United Congress of Community and Religious Organizations submitted to the house a proposed map that would have rectified this injustice, and a number of Auburn/Gresham residents have voiced this concern with the legislature.

Therefore I urge this committee to not support this map and to vote no when this issue comes on the floor.
