Discussion

- ① The Area of Huntley, LITH, and West Algonquin is what I would like to discuss.
 - We have had tremendous growth in the past 10 years and have been fortunate to have Mike Ryan represent us as Chairman of the McHenry County Board or State Representative
 - During this time he has fought hard to represent our interests and we would like to keep him
- ② On another point I had a thought triggered during the presentation when the speaker discussed "Communities of Interest"

San City is currently divided in to
Two Senators and 2 Representatives

I suggest that you consider giving
the Cany Area to some other Representative
and allow Mike Tryon and Pam Althoff
To be Their Representatives
